### THE FIRST 30 ENVIABLE YEARS

CRG comes from a highly successful season 2016, as happened in several previous seasons. "Repeating season 2016 will be difficult" was said at CRG, but a repeat of 2013 victories scored by Max Verstappen was thought to be difficult too... What is certain is that CRG works team is ready to get on track for the 2017 CIK-FIA Championships with the exact same determination and preparation to achieve the only objective it knows: victory!

#### OFFICIAL CRG PARTNERS

CRG has secured 5 CIK-FIA titles in the 7 competitions the Italian outfit has taken part in during 2016: the KZ World Championship, the OK World Championship, the CIK-FIA International Super Cup of KZ2, the European KZ2 Championship and the European OK Championship. In 2016, CRG has only missed out on the two Junior titles (the World Championship and the European Championship) even though the speed did not go missing in this category devoted to young drivers either.

The 30 years long history of CRG is packed with international victories, including the titles won by very strong drivers. Among these, those won by the current Formula 1 “stars” Max Verstappen, who put in a stunning 2013 season winning the KZ World Championship and the KZ and KF European Championships with CRG, and those secured by Lewis Hamilton, thirteen years before in 2000, when the Briton won the World Cup and the European Formula A Championship with the Italian outfit. CRG history comprises 39 World titles, 45 European titles and 65 wins in International races until now.
