Info on the service: racing@kartcrg-nordam.com

The CRG factory team, after winning for the 3rd time in a row the World Championship in the KZ Shifter Class on the 14th of September in Germany, are ready to be on top again at the prestigious 21st SKUSA Super Nationals in Las Vegas, scheduled for 15th to the 19th of November on the street circuit constructed in front of the West Gate, Las Vegas Resort & Casino.

Last year Paolo De Conto took home the win in the KZ Shifter Class and many other drivers brought home very important results with their CRG kart, confirming being very competitive at high level in all the classes.

It is now 2 years that CRG has been in charge of their own presence on the North American market with the company CRG Nordam run directly by the CRG Factory this way CRG is able to offer a very professional and direct support to drivers, teams, dealers and to who chooses CRG for the very important race.
