The 18th edition of the Copa de Campeones will take place from November 29th to December 2nd on the El Vendrell circuit in Spain, a few kilometres from Barcelona, and the CRG official Racing Team will be one of the protagonists.

The drivers line up is getting defined in these days and it will probably include Paolo De Conto in KZ2 (present in several editions and 2nd in 2016). But CRG's presence in

this important and historic meeting for the Spanish and international karting will be also an occasion to give direct support to all the customers and CRG teams, besides delivering the technical equipment in view of the 2019 season.
